COMICS

KIDS COMICS MONTH!

Whether you're young or old, regardless of your tastes and interests, there's no denying the appeal of a well-written, well-drawn comic book or graphic novel. "Kids Comics" doesn't have to strictly mean "For Kids Only", especially when there's so much wonderful "All-Ages" content being created today which is perfectly suited for anyone to pick up and enjoy. You can find a selection of recommended titles **on pages 200-201** of this issue, but there are plenty more to be found throughout our Print section — just look for the KIDS COMICS icon!

MY "CALIFORNIA ADVENTURE" PART 1!

This past July, I took a week or so off to go home to California to visit my family for the first time since before Covid struck. I arrived in Sacramento on a Saturday and, after securing my luggage and picking up my rental car, I drove into Sacramento to the home of my good friend Dwayne Covey and his lovely wife Sue. I couldn't stay at my brother Carl's place because my usual room was being used... long story, but I wish my sister-in-law Diana a speedy recovery!

I've known Dwayne for years through Comics & Comix and A-1 Comics, and he was a good friend and co-worker to the late-lamented Chris Cade, of whom you have heard me talk of many times over the years. Dwayne is a collector like many of us, his particular brand of nerdiness being the works of Edgar Rice Burroughs (especially *Tarzan*), as well as Golden Age and some real oddball comics too! While I stayed with the Coveys, I also got to meet their new rescue dog, Paul (after '70s funnyman Paul Lynde), who was not very sure about this stranger in their house. By the time I left a few days later, I knew that he would forget me in a day.

After visiting the local flea market (which was a disappointing bust), I made my way North to visit my brother Carl and a big portion of his sons and their families for a pool party. I was in the pool 20 minutes after arriving and stayed in most of the

afternoon. It was hot, the sun unforgiving, but "giving" in its rays... which sunburned me red. A couple of days later, I began to itch and peel like a lizard. It was not pretty. But I'm okay now. While I was there, my great nieces and nephews (who ARE great!), got to partake in a tradition I like to keep when I visit: The Suitcase of Cool! I bring a second suitcase filled with various toys, knick-knaks, and other cool stuff that I have collected over the year for said purpose. And like previous visits, the suitcase was empty by the end of the day! And thanks to my niece Kasey for the Millennium Falcon popcorn bucket... TOO COOL!

After visiting various comic and curio shops around town, Dwayne and I hopped in his car and headed down to Los Angeles on Tuesday morning. Dwayne was going to continue down to San Diego after he dropped me off in Hollywood, where I would meet up with my pal Mark Haynes, who used to work here, but followed the siren call of Hollywood and has been chasing the dream of screenwriting and production... and he's making it happen. He's got a big project in the works which I can't talk about, but hopefully it will come together. He deserves it!

I'm going to put my "California Adventure" on hold here until next month, when I'll talk about what I got into in Los Angeles and San Diego a few days later.

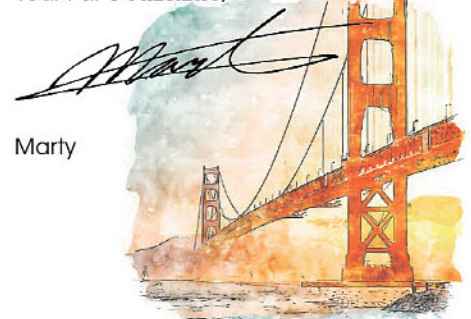

Meanwhile, in this issue, we have a ton of cool stuff as usual, including a lot of all-ages titles being offered and re-offered for our "KIDS COMICS" month! We always have a great bunch of comics that aren't JUST for kids, but are suitable for readers of ALL AGES, including me, Old Man Previews!

Thanks for picking up this issue of **PREVIEWS**, I hope you'll find something cool you just have to get. I dare anyone to not find something in here they wouldn't mind having or reading.

That's all for now. See you next month!

Your Pal @ **PREVIEWS**,

The Overstreet Comic Book Price Guide #53 Now in Stores

The Overstreet Comic Book Price Guide #53 is now available on Gemstonepub.com and in better comic book stores! In this edition, the latest comic book values are accompanied by 60th anniversary celebrations of *The Avengers* and the storied Justice League of America/Justice Society of America crossovers, a look at the influential advertising comics of the Yellow Kid and Buster Brown creator R.F. Outcault, and Death Dealer's history in comics.

The covers feature Kevin Nowlan's take on Jack Kirby's classic *The Avengers* #3 cover and Dan Lawlis provides his interpretation of Frank Frazetta's Death Dealer. For *The Big, Big Overstreet Comic Book Price Guide* (which features only the pricing) David Michael Beck revived forgotten Golden Age hero Black Out.

Lurking with the Shadow

The Shadow, voiced by Orson Welles, got his start as the mysterious and allusive narrator for the *Detective Story Hour* in 1930, initially meant only to boost the sales of the *Detective Story Magazine*. Unfortunately, or fortunately, listeners began asking for copies of "that Shadow detective magazine."

Hake's Auction Clears \$3.4M; Amazing Spider-Man #1 CGC 9.6 Tops \$520K

Hake's Auctions' summer pop culture and Americana auction ended with \$3.4 million in sales, led by comics, original art, and *Star Wars*. *Amazing Spider-Man* #1 CGC 9.6 with the debuts of J. Jonah Jameson and the Chameleon, and Spidey's second appearance hammered for \$520,380, while Spider-Man's first appearance in *Amazing Fantasy* #15 CGC 7.5 realized \$170,844.

A *Star Wars* Boba Fett rocket-firing prototype (L-slot) AFA 75+ which was never produced for the toy line flew to \$99,297. A large *Star Wars* Toy Center store display AFA 90 showing the Death Star behind a TIE Fighter and X-Wing battle cleared \$42,689. The *Green Lantern* Vol. 2 #80 page 19 original art by Neal Adams featuring Green Lantern in four panels and Green Arrow in one realized \$25,057.

The company hired writer Walter B. Gibson to create a character concept that would fit the perceived notion of the narrator. On April 1, 1931, the debut issue of *The Shadow Magazine* went on sale. Gibson was able to take a simple narrator and turn him into a distinctive literary character, and eventually a pop culture icon. It wasn't long before the demand for more Shadow adventures grew, and on September 26, 1937, *The Shadow* radio drama premiered.

- **The Mandalorian and Child SC** (STL287698)

Please tell us a bit about yourself!

I'm Chicago cartoonist Jeffrey Brown and I'm best known for my *Star Wars* books like *Darth Vader and Son* and the middle grade *Jedi Academy* series.

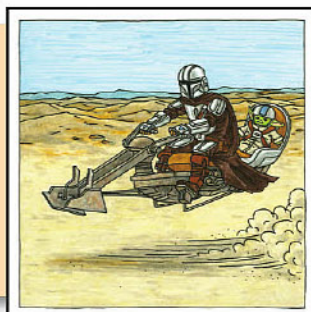

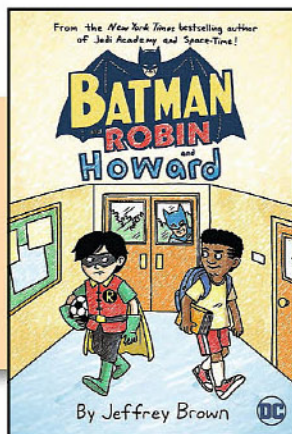

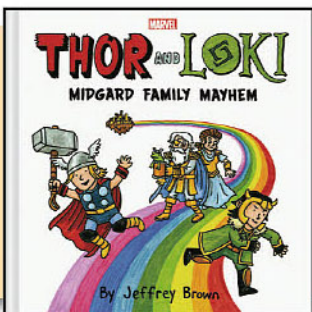

I'm a lifelong fan, so getting the chance to work with *Star Wars* was literally a childhood dream come true! Before I was making *Star Wars* books, my comics career encompassed numerous adult graphic memoirs such as *Clumsy* and humorous comics like *Cats Are Weird* and *Incredible Change-Bots*.

In addition to all of that, my work in comics has led to so many interesting opportunities, including creating a music video for Death Cab for Cutie, co-writing the film, *Save The Date*, and teaching studio comics classes at The School of the Art Institute of Chicago, where I earned my MFA. I also visit schools and libraries to talk to kids about making books and comics. Seeing kids get inspired to read and write is one of the most rewarding parts of this job, along with seeing someone laugh out loud while reading one of my comics.

Last year, Top Shelf collected my first few autobiographical graphic novels in one volume, *Loved and Lost* (FEB229806), twenty years after my first book was published. I've written and drawn over 40 books now, and I don't think I could've planned my career in comics any better if I tried.

What are your favorite projects you've contributed to over the past decade?

Of course, all of the *Star Wars* books have been incredible to write and draw, but I feel fortunate to also have been able to continue making work with my own characters and stories. One of my favorites is my middle grade series, *Lucy & Andy Neanderthal Vol. 3: Bad to the Bones* / FEB192085). It was a fun challenge to learn about how people lived in prehistoric times and fit that science into stories about

a goofy brother and sister living in the Stone Age. Most recently, drawing *Thor and Loki* (*Midgard Family Mayhem* / FEB231266) was another childhood dream project. I grew up with superhero comics, and it was a blast to make a book about the god of thunder after being a kid who practiced drawing by copying Walt Simonson's *Thor* from the comics.

What are you currently working on?

Right now, I'm finishing artwork for my second DC comics graphic novel for younger readers, *Batman and Robin and Howard: Summer Breakdown*. I'm also deciding which idea to focus on next: my epic fantasy adventure project, some cute cat and dog comics, maybe more superheroes. Actually, I'll probably work on all of those!

What fun titles are you reading?

I've been enjoying *Tongues* by Anders Nilsen. Not only is it beautifully drawn and colored with images you can get lost in, it is also a cerebral journey through myth and story and worth the wait between issues. When my brain needs a change of pace, I've had a great time reading some of the fun comics from Silver Sprocket like *Everything Sucks* by Michael Sweater. Effortless cartooning and full of jokes. And it's been great being able to read comics with my son, especially new material from some of the creators I grew up with like Stan Sakai. We've had fun reading the *Usagi Yojimbo/Teenage Mutant Ninja Turtles WhereWhen* crossover series together.

USER'S GUIDE

There's a lot of awesome comics and products to look through in **PREVIEWS**. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and hundreds of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use **PREVIEWS** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS PREVIEWS?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log!*) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—**PREVIEWS** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.

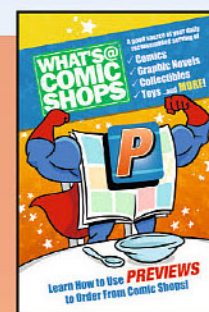

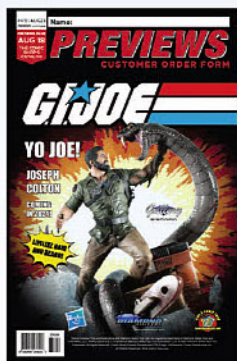

The most important aspect of **PREVIEWS** to remember is that items solicited in the catalog are anticipated to ship 2-3 months later (or more). For example, if you found a comic you wanted in the May issue of **PREVIEWS**, you can expect to see

it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM PREVIEWS?

When you've picked out all of the items you want, you can fill out the items you want, you can fill out the **Short Order Form** included in your copy of **PREVIEWS** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask

your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

THE ANCIENT EVENTS THAT BIRTHED A WARRIOR ARE REVEALED IN BOOM!'S *BRZRKR: FALLEN EMPIRE*

This autumn, actor and producer Keanu Reeves returns to his best-selling comic book and the immortal warrior BRZRKR as he reveals the bloody and tragic story of his origins in collaboration with *The Batman Part II* writer Mattson Tomlin and artist Rebekah Isaacs for BOOM! Studios' *BRZRKR: Fallen Empire*.

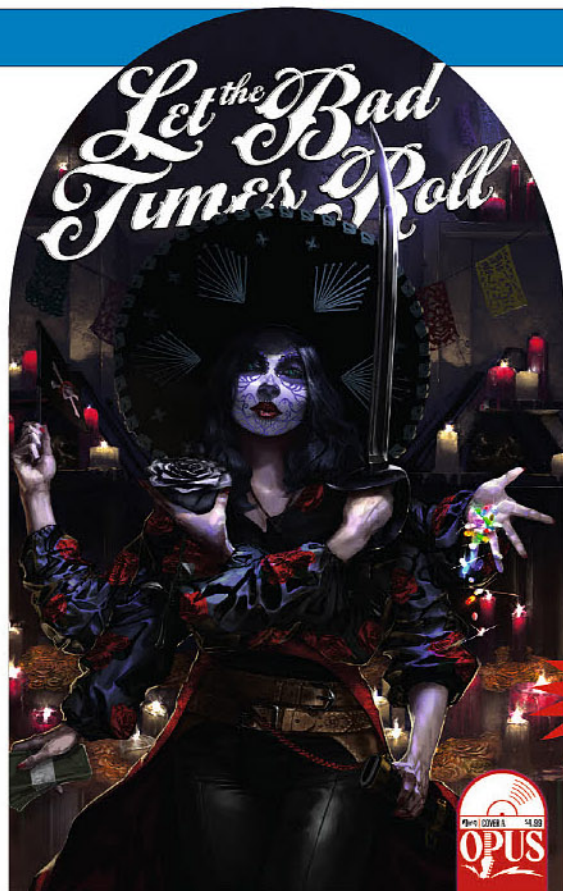

The ancient empire of Olos has been lost to the mists of time, but there is one who remembers the bloody events surrounding its fall and the crucible of violence and blood that led to the birth of the immortal warrior known as the Berserker. The second in a series of one-shots that reveal the centuries the warrior has experienced, *BRZRKR: Fallen Empire* is a visceral and powerful tale that could only come from the mind of Keanu Reeves!

This November, enter the new fantasy world of Forgotten Runes. From breakout writer **JOE RECTHMAN** and artist **REILLY BROWN** (*Batman/Fortnite: Zero Point*), **FORGOTTEN RUNES: WIZARD'S CULT** is a 10-part series that is part of a wider collaborative digital 'Runiverse'.

We spoke to writer **JOE RECHTMAN** on what readers can expect from the upcoming series.

JOE RECHTMAN *FORGOTTEN RUNES: WIZARD'S CULT*

For those new to the fantasy world of FORGOTTEN RUNES, can you give us a summary of how it all started and what it is about?

Dotta and Elf created the first digital collectables set in June 2021. The collection sold out in minutes and they have been building the project ever since. We've built a vibrant community of artists, writers, and multidisciplinary creators, who are all participating in what we call "decentralized worldbuilding." When you look at fantasy franchises from the past, (*LoTR*, *GoT*, *Harry Potter*, etc) the worlds were built by a singular creator. But with decentralized worldbuilding, an entire community of fans gets to participate in the creation AND profit sharing of the IP, which is authenticated by character ownership.

So for example with the comic, much of the content you see on the pages are directly inspired and pulled from the fan's work, and they will see a royalty from their contribution. We see this as an entirely new way to build a media franchise- a horizontal creative and financial model between fan and franchise.

Beyond the community driven DNA of the project we are expanding rapidly in all directions like any major entertainment franchise. television, video games, TCGs, merchandise, live events – and of course, comics – are all in motion. We are on a quest to bring the rich world of Forgotten Runes to every corner of the world through vibrant and engaging stories.

How does FORGOTTEN RUNES: WIZARD'S CULT expand the lore of the Runiverse?

The Comic book represents one of many facets of the Runiverse. In addition to the videogame (MMORPG) due out Q4 2023, other mini games, and the TV show, the comic tells a standalone story based on an ensemble of Wizards.

What can you tell us about the cast of characters FORGOTTEN RUNES: WIZARD'S CULT follows?

FORGOTTEN RUNES: WIZARD'S CULT follows an assortment of Sorcerers, Pyromancers, Enchantresses, Mystics, Alchemists, Chronomancers,

Battle Mages, and more.

Archmagus Crowley of Atlantis is a roguish burglar with a penchant for making magic fireworks; Mystic Willow of the Brambles is a reclusive healer drawn into conflict with the non-magical villagers that have settled nearby; Alchemist Danny of the Fey is a curmudgeonly old potions expert whose young apprentice grows suspicious of her Master's sudden good cheer; Enchanter Artis of the Road is a beautiful but malevolent illusionist under the thrall of the powerful and mysterious Magus Kazem of the Steppe.

The world of Forgotten Runes is being adapted both into a MMORPG and an animated series. How does the comic series tie-in to these upcoming projects?

As the first major media expression to be distributed from the IP, the comic lays the groundwork for the world and tone of the franchise. There may be some overlap between the stories in the comic and the MMORPG and the show, but for the most part the comic is a standalone story the readers can enjoy without any context.

Twig meets Marceline The Scream Queen from the co-creator of Wynd!

Trapped inside her mountain by pollution-spewing factories, the guardian spirit Zawa only has industrial waste to eat, leading her to a bitter existence of paranoia and destruction.

But when two siblings from a nearby village help her escape, they'll quickly learn that the way to calming Zawa's heart is through a well nourished stomach!

GLAAD Award-winning and Eisner Award-nominated cartoonist **Michael Dialynas** (*Wynd*, *Teenage Mutant Ninja Turtles*) crafts a charmingly macabre eco-fable about nature, greed, the dangers of retribution, and good food shared among friends.

DAN PANOSIAN UNLEASHES A SAVAGE RED SONJA!

Dan, many fans may be most familiar with your work via your incredible art and the stylistic evolution and mastery you've gone through over the years — and you're rocking out a set of covers on this series as well. But in recent years you have really showcased your ability as a writer on series like Slots, Alice Never After, Black Tape and more. How has it been flexing that skill and re-introducing yourself to fans as a man who can do it all?

It's been what I've always wanted out of my career in the comic book field. I grew up inspired by Frank Miller, Walter Simonson, John Byrne and Joe Kubert. I've never had so much fun doing my job!

On that note then, can you give us a non-spoiler elevator pitch on your approach to taking on the She-Devil With a Sword, and any inspirations that went into this thrilling narrative?

We all have doubts about the paths in life we've chosen. This story explores the course her life has taken and how it has affected her. Does she have any misgivings? Doubts? Fears? Regrets? Couple that with a very mysterious adventure and you have Savage Red Sonja!

Something that fans will immediately notice on the covers for this series is the unique title and logo — Savage! Though technically the titling has been used once before — for a vicious and fun story by Frank Cho and others — it's been years. How would you describe how fans can interpret that word's inclusion and how it factors into your series?

Well, first, the alliteration is very appealing. But beyond that, I think it's a side of Red Sonja that deserves some attention. Red Sonja is a fierce force to be reckoned with.

We understand that you played a major role in bringing on other members of the creative team to this series, right? That's not often the case. Can you tell us a bit about the artwork of Alessio Petillo, and his pairing with Fran-

cesco Segala, and what makes them a great match for both the character and the story?

I've been wanting to work with Alessio for years now and this is the perfect project for him. He draws everything well. Everything! I'm always stunned and impressed by the pages when I see them. Then I get to see them colored by the amazing Francesco Segala, another artist I found that really impressed me. He's also coloring the work of Giorgio Spalletta on Alice Never After. They're both delivering some very moody and powerful pages.

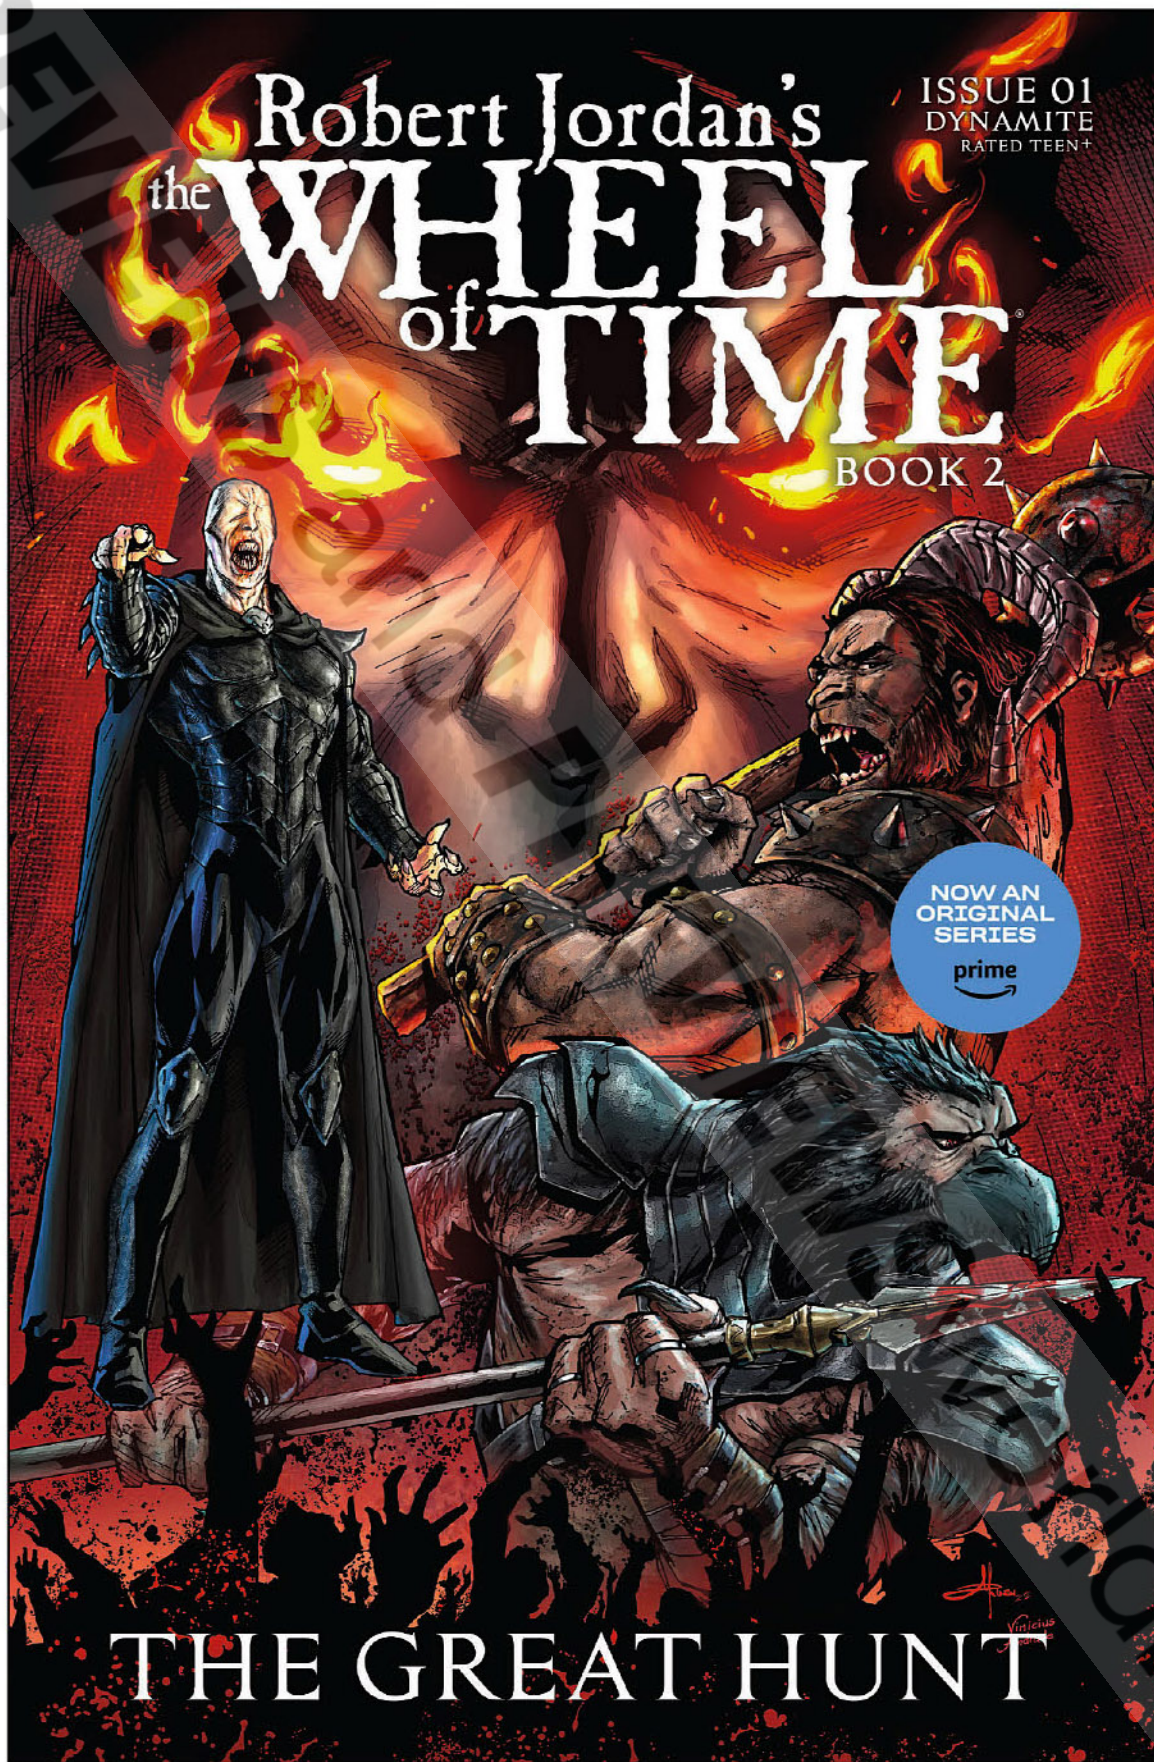

As mentioned, you're also contributing covers to this series, and the first one is already an absolute killer. Fans may find it interesting that you actually whipped that one together fairly quickly as we were pulling things together to announce the title at San Diego Comic-Con, and no one would ever guess if we hadn't just shared that secret! Fans also loved your covers for Unbreakable Red Sonja. Can you touch on how you approach your covers?

First and foremost, I'm a fan of all things Robert E. Howard. I'm always excited to draw Red Sonja. So every cover I illustrate is an opportunity to take a trip down a nostalgic road and have fun. But these covers are very special to me. It's my own series and I want this book to be read by as many Red Sonja fans as possible. I hope it's a story that resonates with readers. Something they remember and cherish. I can't wait to draw the next cover!

The Wheel of Time is a series of high fantasy novels by American author Robert Jordan, with Brandon Sanderson as a co-author for the final three novels. Originally planned as a six-book series at its debut in 1990, *The Wheel of Time* came to span 14 volumes, in addition to a prequel novel and two companion books. Jordan died in 2007 while working on what was planned to be the final volume in the series. He prepared extensive notes which enabled fellow fantasy author Brandon Sanderson to complete the final book, which grew into three volumes: *The Gathering Storm* (2009), *Towers of Midnight* (2010), and *A Memory of Light* (2013).

TAKE A SPIN ON THE WHEEL OF TIME WITH WRITER RIK HOSKIN

For readers who are not longtime fans and veterans of the franchise, how would you describe the world of *The Wheel of Time* and its appeal? Readers can of course jump right in with the first issue of this comic, but are there some key details that newcomers may want to know?

The *Wheel of Time* is a huge saga, but it's very human and it's character-led. It's been favorably compared to *Lord of the Rings*, as it sits within that fantasy style. One of the most interesting aspects is how the story regenerates

over each book, and the threat seems to come into sharper focus with each volume. Picking up at Book 2 should be no more off-putting to readers than starting at *Star Wars* Episode IV! Come find a comfortable seat and we'll fill you in with all you need to know.

The *Wheel of Time* is an epic going back over 30 years, with 15 novels, lots of companion material and other licensed media, and a big TV series on Amazon's Prime. Can you touch

on your history and experience with the franchise as a reader yourself?

Robert Jordan's *Wheel of Time* has loomed large over the fantasy genre for such a long time now, I feel like it has always been there on the bookshelves. I've known Jordan from his work on *Conan* too, of course, but *The Wheel of Time* is an epic of such volume it's awe-inspiring, and a little daunting as a reader, let alone when you're asked to adapt it. Lots and lots of characters, lots of moving parts to keep track of.

With so much source material to look to for lore and inspiration — nearly 12,000 pages just counting the core novels — is it daunting to be adding what we're told is original material to this vast world of fiction? And how did you go about figuring out where this fits into that tapestry?

With a project like this, I always try to be as faithful as I can to the source material. That means familiarizing myself with the world, and trying to get it all into chunks I can refer to quickly — a bit like making revision notes when you're at school! I did a project a while back adapting part of the Indian epic, the *Mahabharata*, and that was a very similar experience — juggling great lists of characters and events and timelines. With *Wheel of Time* we have the Jordan estate involved, and their notes have been exceptional — they'll do research for me when I haven't been able to find a definitive answer.

Rik, you have an incredibly deep bibliography, from comics to novels to other media that would require whole other fun words to describe. In addition to some brilliant worlds and stories you've created, you're also renowned for your ability to jump into the sandbox on big franchises like *Star Wars*, *Superman*, *Doctor Who*, and fellow *Wheel of Time* contributor Brandon Sanderson's *White Sand* graphic novels. What do you think allows you to seamlessly add to these extensive narratives beloved by fans?

Writing is writing, and I always enjoy what I do, which I hope comes across to readers

(or listeners or games players or viewers, depending on what medium I'm working in). For projects like this, I like to work out the mechanics of how we can use our medium of comics and maybe surprise people familiar with the franchise by adding touches that breathe new life into the material. For Dynamite's *Red Rising*, for example, I suggested colored speech balloons, and that was such a simple idea that helped the world of the books make the jump into comics. For *Wheel of Time*, well, let's just say I have a few tricks!

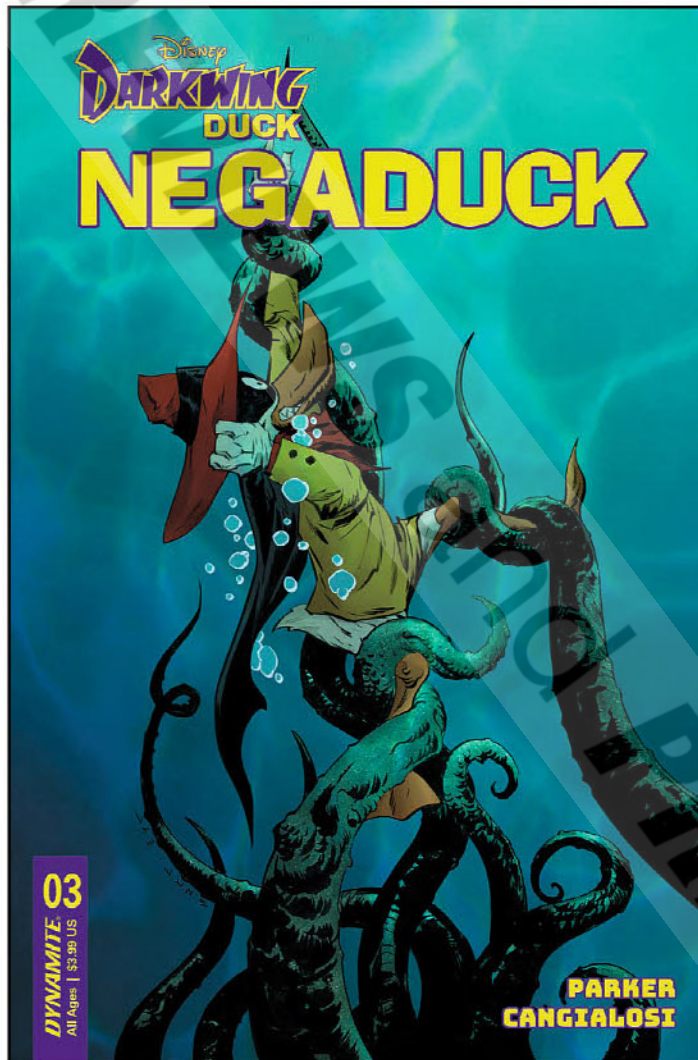

The artwork on this series is being tackled by Marcio Abreu, who has himself contributed to juggernaut franchises like *Red Sonja* and *Warlord of Mars*. How has the collaboration been so far and how has it been seeing him bring your scripts to the page?

I was really pleased with the pages and the designs that Marcio came up with. I'd given him a lot of challenges in that very first issue and he knocked it out of the park. I can only imagine how much he was cursing when he first read my script; I didn't make his life easy! But I've always been very lucky with my collaborators at Dynamite, there are some very talented artists out there.

GARBAGE PAIL KIDS FUN FACTS!

- The Garbage Pail Kids were launched in June 1985 as a parody of the Cabbage Patch Kids, and The Garbage Pail Kids cards were reintroduced by Topps in 2003.
- There were two versions of each card — an “a” and a “b” — with the same artwork, but a different name for the character.
- Several schools banned the stickers in the ‘80s because they were too much of a distraction in classrooms.
- Nasty Nick, a vampire boy biting into a Barbie doll’s neck, was Garbage Pail Kid No. 1a.

writer: Suzanne Cafiero | artist: Jeff Zornow | cover: Jeff Zornow

Created and written by SUZANNE CAFIERO, illustrated by JEFF ZORNOW, and produced by longtime Misfits and Ramones collaborator JOHN CAFIERO, *Sweetie Candy Vigilante* is a honey-dipped horror/fantasy that tells the tale of Sweetie, an ethereal, well-meaning (yet unquestionably unhinged) blood relative of the mythological "candy man." You know, the dude that takes the sunrise and sprinkles it with dew? Yeah — that guy. Dismayed by the decay of her community, Sweetie decides to enact a blood-caked, sugar-coated manifesto on society by using her proprietary family secrets to make the world a "sweeter" place — starting with her hometown, New York City! Isn't that *nice*? So buckle up, gumbdrop, and make sure you save room for dessert, because it's not like a little sugar is going to KILL you, RIGHT? This book has it all — blood, guts, and a sugar rush! Collects issues #1-6, including a gallery of original series covers by Zornow, Josh Howard, Nei Ruffino, Ned Ivory, Chrissie Zullo, Joe Simko, Godmachine and more, as well as a free MP3 of Osaka Popstar's dynamic punk rendering of the Archies' classic "Sugar, Sugar!"

**A personal story about mental
health and what it takes to
find yourself again!**

Hannah's dealing with a lot in her first year of college and to make matters worse, she's also battling her own brain, in the form of anxiety and depression. Fortunately, her therapist has put her on some meds to help, but those meds cause some unintended side effects, like sleepless nights, pounding headaches or, in Hannah's case, superpowers.

Now, on top of juggling tests and dates, Hannah has to deal with occasionally shooting lightning bolts from her fingers or reading her girlfriend's mind. Maybe she's supposed to be a superhero, but all she wants to do is make it through the year in one piece.

Written by Ted Anderson (*My Little Pony, Adventure Time: Beginning of the End, ORPHAN AGE, MOTHS AND WHISPER*) and illustrated by Tara O'Connor (*Fly By Night, Roots, Puddles*).

This story will resonate with anyone who has ever had to say goodbye to a beloved pet – or who has greeted growing up with nervousness and anxiety.

Andy and Rocket grew up together, with Rocket serving as Andy's guardian through every one of childhood's ups and downs. So, when Rocket passes away right before Andy's 14th birthday, he's rudderless. He can't imagine making the transition to high school without Rocket at his side. The day before school starts, when Andy is at his lowest, he visits Rocket's grave and unexpectedly summons the RAINBOW BRIDGE, a gateway to a fantasy world where pets discover their afterlife. But there's a dark shadow to this paradise, and without Andy's help, Rocket's eternity may be grim...

A story all about fitting in, fighting ghosts and forming friendships with other misfits, especially when you're a misfit yourself.

When shy 6th-grade shutterbug Whit Garcia starts middle school, he's forced to join a year-book club with three other weirdos who will never be voted "most likely to succeed." But after the ghosts of missing students start haunting them, Whit, Hester, Hillary and Press must solve the supernatural secret behind these spirits — or their yearbook club may be voted most likely to join them.

But are these ghostly students the real bad guys? Or are they just warning Whit and his friends? Warning them about a darkness beyond their schoolyard...a darkness that threatens to swallow the school — and its occupants — whole.

Springing from the pen of writer Richard Ashley Hamilton (*How To Train Your Dragon*, *Guillermo Del Toro's Trollhunters*) and artist Marco Matrone.

An epic reimagining of the things that go bump in the night!

Years ago, early settlers locked monsters away in a secret prison deep in the woods of New Amsterdam so that they never would return to the Old World. Those woods have become Central Park and now the monsters have escaped! Fourteen year-old Nick finds out that he is a "legacy" to a secret society that for the last 400 years has kept these monsters in check. Now he and a ragtag group of kids just like him have to put the monsters back before they get out of the park and destroy the city.

Ran is feared and shunned, but always puts his own life on the line to do good, so Torue decides to write a poem about him...

The thrilling HIT manga
comes to the USA!

Gannibal, the thrilling and terrifying manga horror series by Masaaki Ninomiya, on which the Hulu TV show is based, is published in English for the first time!

After the mysterious disappearance of a countryside cop, the role is reassigned to Officer Daigo Agawa. He finds the remote village quaint, and he looks forward to an easygoing post among the warm and welcoming citizenry. Then... He gets a call. The body of a local grandmother has been found.

The scene immediately sows doubt for the young policeman. A human bite mark has been left on the corpse, and any voiced suspicion of Agawa's is met with a strange, sudden, and intense hostility.

Something dark is lurking under the idyllic façade of the charming mountain village.

But can Officer Agawa spare himself and his family from it?

GANNIBAL

INTERVIEW WITH CREATOR MASAOKI NINOMIYA

You've already seen great success with *Gannibal*, the manga having received a live-action adaptation. Are you excited to have an English-language premier and to have your manga continue to reach a wider audience? Is there anything you'd like any new readers to know about the manga before they pick it up?

I'm very grateful to be published in countries around the world, but I'd heard it was difficult to get an English translation outside of the shounen genre, so when I heard the news, I thought "I'm finally getting an English version!" and was very happy.

English is the global language, after all. Even in regions where I haven't been published, I think people will be able to pick my work up, so it makes me happy to think the story I drew in my tiny, dirty room back then has grown so much. Though, I can't read any English myself!

I don't have any preferences for how readers read my work, but it makes me sad to think they'll be frightened by the cover and put off from reading it altogether, so I'd just like them to read it. 🥹

What other works, manga or otherwise, are your greatest artistic and storytelling influences?

For manga, I'd say *Vagabond*. I might have been pretty conscious of its use of a rough brush texture. As for other media, I'd have to say I aim for the look of those Japanese films from days when the screens were overflowing with actors, everything seemed slick and oily, and you could practically see the odor.

Shōhei Imamura's period dramas are messy and wonderful.

How would you personally characterize the genre of *Gannibal*? Is it a straightforward horror story, or are there other important genre elements that you encourage readers to latch onto?

I was drawing without being particular about genre, but when it was dramatized, it was advertised as a "village psycho thriller," so something like that!

I did my best to write this story, so there are probably many other elements in it. If I sorted it into a genre myself, it would be along the lines of an 80% village, psycho-human-flesh-suspense-horror-emotional-ensemble-drama, I guess.

What is your artistic process? Do you prefer digital or pen-and-ink? Do you have an ideal setting to work in?

I overwhelmingly prefer digital.

It would be more accurate to say I've almost never drawn traditionally, and I don't like the sensation of the G-pen running across the paper.

I also don't like waiting for ink to dry, and I hate when it bleeds because I didn't wait before touching it, so it's almost debatable whether I would've become a mangaka if it hadn't been for digital equipment.

As for my ideal setting, anywhere is good as long as it has strong AC, and I can watch things on subscription services! I've moved now, but the environment—or rather, the room—that I wrote *Gannibal* in was pretty terrible...

***Gannibal* features an eerie, small-town setting in which locals are entrenched in their own traditions outside of the norm. Are these elements inspired by personal experiences, be it familiarity or unfamiliarity, with rural settings? Are you more of a country or city person?**

Actually, I used to live in the countryside and moved to Tokyo because I didn't like it, so I'm absolutely more of a city person! But now I'm starting to think the countryside is nice, too.

The feeling of being enclosed exists everywhere, whether you're in the city or the countryside. I entered a company in the city made up of only locals, and they treated me like a proper outsider! The foreign entity entering any completed environment has it hard regardless of era and place.

In the future, will you continue to focus on horror manga? Are there any other genres or themes you're interested in portraying in future works?

I wasn't particular about horror, but people around me kept saying it was horror, so I became more and more conscious of the genre and realized there was much more I could write in the horror genre. As such, I'd like to keep writing horror.

But I don't want people to say, "He only writes horror, this guy. Can't he write anything else?" So I'd also like to write the sort of slightly difficult, prestigious literary manga that can win prizes. *Gannibal* didn't win anything!

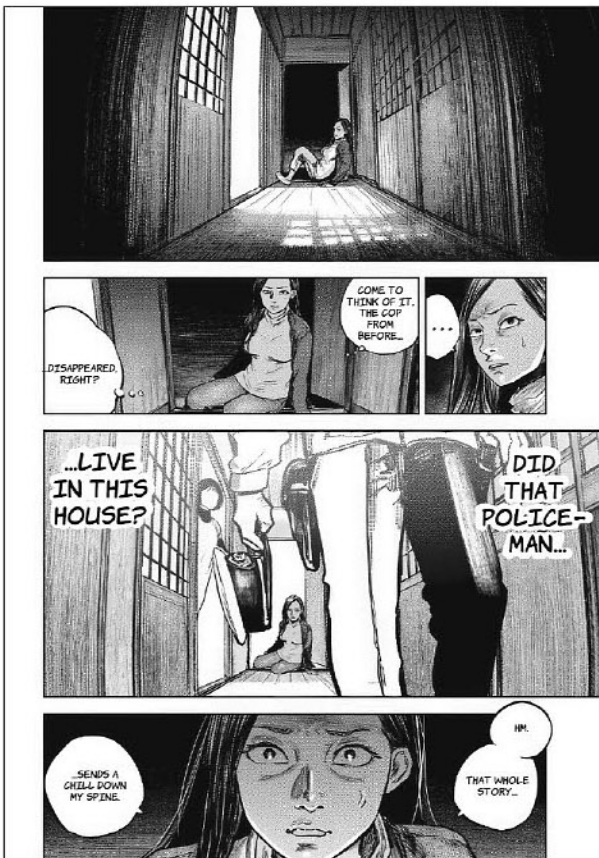

In Japan, that is. Japanese awards have tendencies in the types of works that win, but I'd be very happy to win an award through the English translation!

Thank you very much!!

For some, magic is a myth. For others, it is a weapon.

What if witchcraft really existed? If our beliefs, superstitions, and legends were material? This is what Rhym, a young narcotics lieutenant, must question when she finds herself confronted with the impossible. While staking out a subway deal, a suspect magically kills his informant and drives the entire station into madness with just a handful of weed. Rhym miraculously escapes unscathed. She's unaware, but she is a witch, and that fact arouses the interest of a very particular unit of the French secret services. A group of special agents who, like the criminals they hunt, have mastered the art of sorcery...

Welcome to a world where it is better to wear an amulet than a bulletproof vest and where a simple curse by email can destroy you more surely than a bomb. Between thriller, espionage, and fantasy, Mathieu Gabella and DC Comics artist Fernando Dagnino (Suicide Squad, Supergirl, Wonder Woman, Teen Titans, Justice League) present a powerful adventure!

ZEROCALCARE'S THE ARMADILLO PROPHECY

WRITER/ARTIST: ZEROCALCARE

MATURE (16 AND UP) | MEDIA TIE-IN | \$19.99

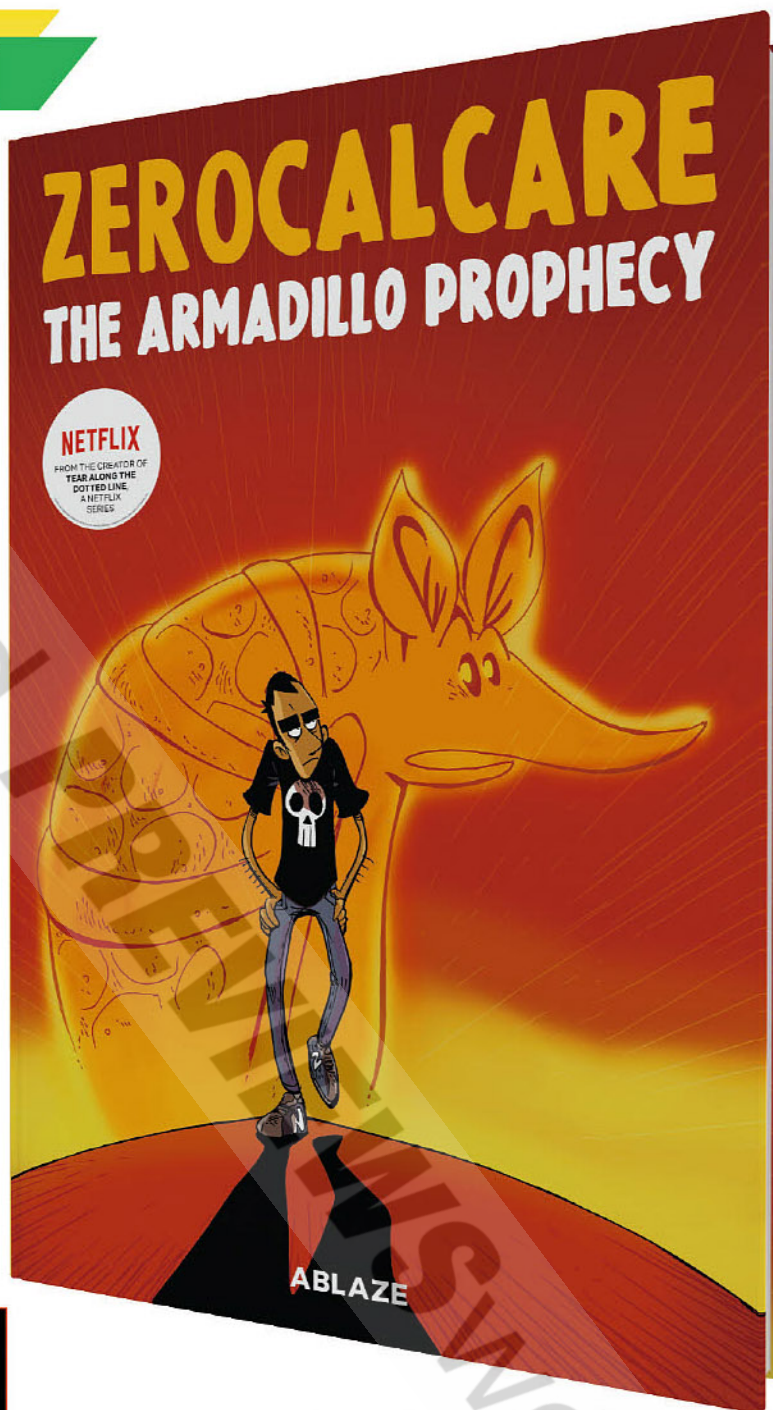

"Fantastical. Hilarious. Neurotic. Pop-cultural. A truly unique look at family history and relationships, as well as one's inner self." — **THE COMICS JOURNAL**

The Armadillo Prophecy is Zerocalcare's debut OGN, and it's the story of how he coped with learning too late that a dear friend from his childhood had died, all while a giant armadillo represents his imaginary conscience. Dryly funny, witty, and inventive, it's a classic that has sold over 140,000 copies in Italy alone. Now in its 13th reprint, it is Zerocalcare's most popular title. Structured as a series of short stories that tie in to form a cohesive narrative, this is the seminal story that made Zerocalcare famous for his ability to write comedy with depth and elements of drama embedded in the plot. While it references Italian society, it's definitely a universal tale of loss, coping and coming of age.

Season 1 of Zerocalcare's original animated series "Tear Along the Dotted Line" debuted WORLDWIDE on Netflix in November of 2021. Season Two, "This World Can't Tear Me Down," premiered April 2023. Both can be streamed now on Netflix!

ASSASSIN'S CREED

A UBISOFT ORIGINAL

VISIONARIES

Lounak Comics

Connecting Covers A-C

Art by **Yanick Paquette**, the Eisner-nominated, Shuster Awards Winner, and #1 New-York Times best-selling comics artist known for *Batman*, *Swamp Thing*, *Wonder Woman: Earth One*, *INCAL* and more.

The Assassin's Creed® franchise was created over 15 years ago, so what better way to celebrate it than to give renowned comic artists **complete creative freedom** to share their own, personal visions of Ubisoft's hidden blade-wielding, parkour-running, century-spanning Assassin's Creed®! Each issue will feature 2 stories by today's top talents in the comics and pop culture industry.

In this first issue, celebrated artist **RAFAËL ALBUQUERQUE** (*American Vampire*, *Blue Beetle*, *Detective Comics*, *Prodigy*) is joined by writer Ale Santos and colourist Marcelo Maiolo. They tell us a story set during the 70ies Brazilian Dictatorship, where a Revolutionary Fighter is captured and sent to a military basement, also known as Torture Rooms...

Also, renowned European writer/artist **STÉPHANE LOUIS** (*Tessa Agent Intergalactique*, *Carmen McCallum*, *Aquablue*) is joined by Véra Daviet to weave us a tale set in a future where the Templars are on the verge, yet again, of eliminating the Assassin Brotherhood once and for all!

Interview with artists **RAFAËL ALBUQUERQUE** and **STÉPHANE LOUIS**

How did you first get involved with the *Assassin's Creed Visionaries* project? What made you want to be a part of this new series?

Rafaël Albuquerque: That opportunity came from my friend Serge LaPointe, creative director at Studio Lounak, who was assembling creators to work on this really cool anthology project. The possibility to play in this vast universe, to tell a story that was closer to me, set right here in Brazil, and collaborating with the talents of Ale Santos (writer) and Marcelo Maiolo (colourist) easily sold me on the idea.

Stéphane Louis: One day, I received a message from [Serge LaPointe] telling me they thought of me for their upcoming anthology: *Assassin's Creed® Visionaries*! I accepted right then and there to join the ride with great pleasure!

What is your story about, and why did you choose to visit this particular era?

Rafaël: Ale and I came up with a story called *La Bestia* that is set in the 70s during the Brazilian dictatorship. It was one of the saddest moments in our recent history. Our character is a revolutionary who gets arrested and ends up in a military torture room. I'll try to avoid spoilers, but nothing seems to be what was originally expected.

Stéphane: I wanted to create some places, some things never before seen in the franchise. At the same time, I wanted to celebrate the brand and the Creed in the first place. So, at the beginning, I knew the Creed will be the common thread, the central theme. I wanted to explore... a dystopian future, where a new kind of Animus is helping the Templars explore various eras of the future. With that new powerful tool in their hands, they can then select the only timeline in which they actually win!

This series is qualified as "Carte Blanche," which means giving complete creative freedom to the art team. Based on that, how would you qualify Ubisoft's involvement in your creative process?

Rafaël: That's the richest way to create. They have this vast universe, and a really nice system in which you can set a story pretty much anywhere and still find a way to make it canonical. All we had to do was create something that was personal to us, and that could become part of that huge universe.

Stéphane: When they said CARTE BLANCHE, they meant it! They left us TOTAL freedom to tell the kind of story we wanted to tell. I told the story that I wanted, one hundred percent!

Thanks Ubisoft! Thanks Lounak!

Quested fuses the attitude of *Hellboy* and the fantasy-adventure spirit of *Legend of Zelda* as it follows the questing misadventures of pawn shop owner and morally ambiguous hero-for-hire, Jinx, through a world filled with lizard henchmen, dungeon-bosses, and rupees!

The adventure kicks off when a plan to take advantage of a desperate king trying to protect his daughter goes wrong, leading Jinx and his two accomplices (I mean guild members!) Hamo and Lithia into a quest to actually save the princess. And as many heroes will find, one quest tends to lead into another, and a simple con quickly takes on epic stakes.

And when we say the whole town, that includes the Addams family. All but Wednesday have fallen under the spell to get well! learns that the 19-year-old she raised
as "Lucie" is a transgender man named
Alex, she's overwhelmed by questions.
How can this be? Who put these ideas
in your head? What if you regret it? Am
I overreacting? How will your grandpar-
ents react? Why didn't I see it coming?
Why is this so easy for others? Am I a
bigot? What does gender really mean,
anyway? How can I be the parent my
child needs? It soon becomes clear that
Alex is not the only one embarking on
a journey of self-discovery. The road is
not easy, and sometimes their relation-
ship is bitterly strained. But Alex is sure
of himself, and Anne is determined to
be strong for his sake. With time, she

A DISTURBANCE IN THE FORCE: HOW AND WHY THE STAR WARS HOLIDAY SPECIAL HAPPENED

(W) Steve Kozak

Bea Arthur as the owner of the Mos Eisley Cantina. Long scenes entirely of Wookies bleating at each other, without subtitles. Harvey Korman, in drag, as a four-armed Space Julia Child. Six minutes of Jefferson Starship performing for Art Carney and a bored Imperial Guard. Mark Hamill, fresh from his near-fatal motorcycle accident, slathered in pancake makeup. Even by the standards of the 1970s, the 1978 *Star Wars Holiday Special* is a peerlessly cringeworthy pop-culture artifact. Just how on earth did this thing ever see the light of day? To answer that question, as Steven Kozak shows in this fascinating and often hilarious inside look into the making of the Special, you have to understand the cultural moment in which it appeared—a long, long time ago when cheesy variety shows were a staple of network television and *Star Wars* was not yet the billion-dollar multimedia behemoth that it is today. Packed with memorable anecdotes, drawing on extensive new interviews with countless people involved in the production, and told with mingled affection and bewilderment, this never-before-told story gives a fascinating look at a strange moment in pop-culture history that remains an object of fascination even today. THE CROW: THE LIFE, DEATH, AND REBIRTH OF A CLASSIC FILM SC

(W) Bridget Baiss

In the thirty years since its release, *The Crow* has become the ultimate cult movie, with a dedicated worldwide following, three sequels, and a persistent fascination owing to the tragedy that came to define its legacy, in which star Brandon Lee was killed in a strange on-set accident during the last days of filming. In this fully revised and updated edition, author Bridget Baiss tells the full story of *The Crow*, from the initial adaptation of James O'Barr's graphic novel, through its production and Lee's death, to its triumphant release, enduring appeal, and impact on on-set firearms safety. This is a fascinating and revealing look at the troubled making of a modern classic. (STL290613) (C: 0-1-0)

THE LIFE AND TIMES OF BETTY BOOP: THE 100-YEAR HISTORY OF AN ANIMATED ICON SC

(W) Peter Benjaminson

The first biography of a major American cultural symbol ever written, *The Life and Times of Betty Boop* describes Betty Boop's incredibly active romantic and family life as revealed in her numerous comic strips, comic books, cartoons, and movies since 1930. Award-winning author Peter Benjaminson details the creation of Betty Boop, based on two African American female entertainers who were the human models for Betty's character. He explores the many alterations of Betty's appearance, attitudes, and behavior over the years. Benjaminson also reveals the stories of the women who provided her

with a speaking and singing voice, along with the backgrounds, intentions, and careers of Betty's numerous creators and animators. *The Life and Times of Betty Boop* indulges in the controversies surrounding the character, including her adventures with Felix the Cat (a four-year daily comic strip production). Benjaminson illuminates social trends that have kept Betty popular for nearly a century, including her recent transition from a helpless sex object to a feminist icon and her massive popularity with young American women. DARKLING®

EMBRACE THE DARKNESS.
DISCOVER THE TRUTH.

DARKLING O.S.

SCRIPT: SARAH KUHN • ART: CAROLA BORELLI
COVER: MARIA LAURA SANAPPO, ELLIE WRIGHT

From the outside, Darla Lang looks like a normal college student—save for the peculiar voluminous black cloak she wears everywhere. Her peers and professors chalk this up to Darla's eccentric, introverted, slightly creepy persona, but Darla is a young woman with a secret... and a mission. Darla's cloak is actually a mystical artifact that she can use as a melee weapon, trapping her enemies inside and teleporting them away. Darla's power and connection to the supernatural world have always been a curse, and now she's enrolled in Ivy Hollow University which harbors some dark secrets of its own. Will Darla find within its hallowed halls the answers to the questions about herself and her powers that she's been seeking? Darkling mixes superheroics with dark academia from writer Sarah Kuhn (*Shadow of the Batgirl*, *Girl Taking Over: A Lois Lane Story*) and artist Carola Borelli (*Spider-Woman*).

RED LIGHT #1

Illustrated by **Priscilla Petraitis** Colored by **Miroslav Mrva**

"I wanted to focus on themes of female agency and the importance of empathy. Once I had a character and themes in mind, the idea wrote itself."
— SARAH CHO

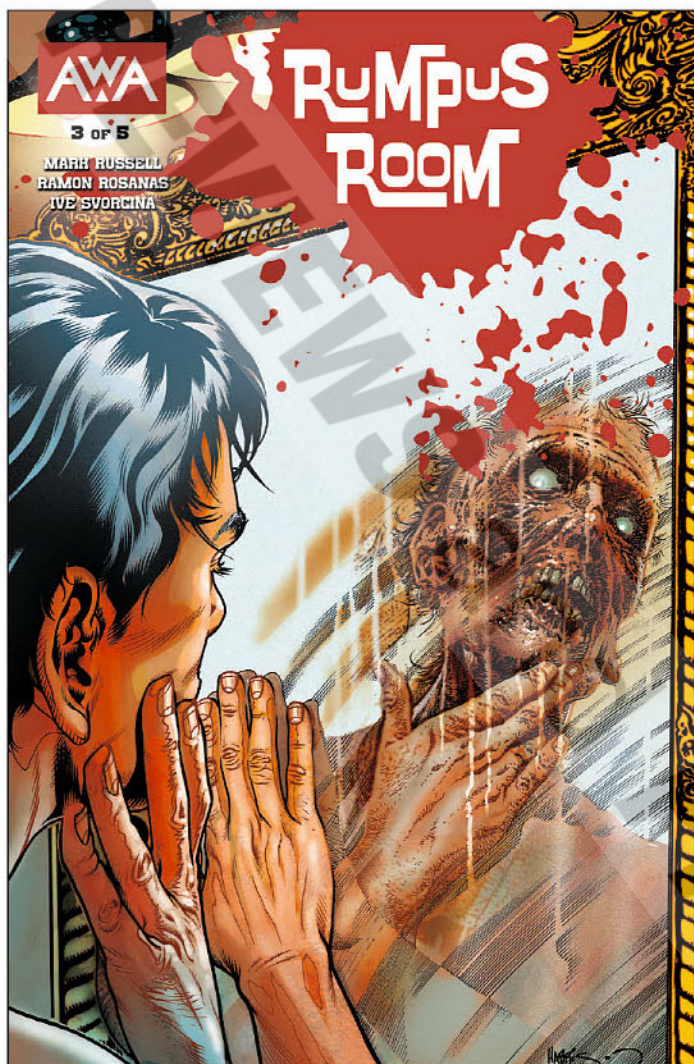

Written by AWA and comic book newcomer Sarah Cho—a playwright/filmmaker/writer known for her L.A.-based sketch comedy team Thunderdog—with art by Priscilla Petraitis (CHARIOT, HIT ME) and Miroslav Mrva (YEAR ZERO VOL. 0), RED LIGHT posits a classic girl-escapes-bad guys-and-goes-on-the-run survival tale, but with a decidedly futuristic sci-fi twist.

Cho admits to “reading a ton of manga” while growing up, and “that evolved into reading comics and graphic novels...however, [RED LIGHT] is the first graphic novel project I’ve tackled.” The transition to writing graphic fiction shouldn’t be too challenging for Cho—she’s already a working screenwriter, playwright, and comedian.

“Though it was a new experience, I dove in headfirst, and it was like a fish to water. It felt natural and it felt right,” Cho says.

“I knew I wanted to write something in the erotic thriller space,” proclaims Cho when asked how the idea for RED LIGHT developed. “I wanted to focus on a protagonist we haven’t really seen before—the most unlikely hero in a sense. I’ve always been a writer who explored the interiorities of unlikely protagonists.”

SAVAGE PULP #1

(W/A/CA) Jorge Zevallos

The "Big Apple." A metropolis masked by a beautiful red veneer of good fortune. It covers the grotesque well. Secrets, deep seeded vices. An ethereal graveyard buried with the naive dreams of those who fell prey to its deception, and took a bite. Order is decomposing. Its remnants are barely visible, and the climate has become wilder. On one of the hottest days on record, a lonely man who lives a banal life contemplates in routine existential fashion. To no avail, no revolution of the mind. He is but one man, a random pawn in a game. But the game of life is a game nonetheless, with winners and losers. Little does he know, a new hand is about to be dealt. The slings and arrows of fate have pointed in his direction. Ready to strike with great fervor. And the reaper, always eager to collect. Like a thief, in the night. (STL288884)

A CHRISTMAS CAROL GN

(W) Charles Dickens,
Jose-Luis Munuera

(A) Jose-Luis Munuera

Charles Dickens's most famous story, adapted by a star of European comics. In 19th century London, on Christmas Eve, the greedy, selfish misanthrope Scrooge encounters the ghost of his dead partner, who warns him that three spirits will visit him to make him change his ways before he is damned forever. Charles Dickens's story is universally known, but in this adaptation by Munuera, Ebenezer becomes Elizabeth, and that simple yet fundamental difference, with all the social baggage it entails, may make her rather more unrepentant than her original model. THE SECRET OF THE RAVENS GN

(W/A) Joanna Cacao

Twin siblings Elliot and Liza only have each other. Their parents are gone. Their home was taken, and to survive on their own, they're forced to scrounge up plastic and metal to trade for coin within an abandoned garbage heap. Desperate to escape the vagabond cycle that they're trapped in, the answer to their plight seemingly appears when they stumble upon a Raven Quest—magical tasks offered by mysterious message-carrying ravens that when successfully completed, promise the victors coin and untold riches. In a gamble to change their fates, Elliot and Liza follow the trail of Raven Quests to the kingdom's capital, where the greedy rulers of the Kawu-

miti Kingdom reign and young people are enlisted to train as royal mages for the kingdom's army. But the Ravens Quests aren't as they seem, and the King is on a mission to hunt down vagrant participants like the twins. When a quest goes terribly wrong, Liza is poisoned, and Elliot finds himself racing against the clock to find the cure. Now, the only way to save his sister is to join forces with a royal apprentice and a dark mage with mysterious motives of her own—even if it means sacrificing everything. (STL287771) (C: 0-I-0)

LANGOSH AND PEPPI VOLUME 2: HOT TO TROT GN

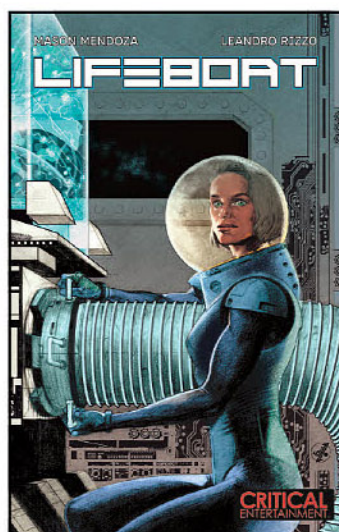

(W/A) Veronica Post
As Langosh and Yeva embark on an epic cross-country journey, they discover that old wounds—and differing personal experiences—have begun to threaten their close-knit friendship. As they explore big cities, small towns, prairies and mountains, Langosh opens up to Yeva about his experience of police brutality, and the stark difference between how they respond to the situation leads to deep reflection on how the past informs their current choices. The more they seek to influence each other, the more obscured their path becomes. As Yeva comes to understand the unjust act of violence

that changed his life forever, she struggles with how Langosh decides to respond to what happened. Have the values that he formed in response to harm become barriers to his personal growth? Is Yeva callous to the realities that he faces? Veronica Post examines how we respond to structural harm, the power and limitations of personal agency, and the divide between individual freedoms and collective responsibility. **TALES OF THE BIZARRE
#1**

(W) James Mascia
(A) Jack Linses (CA) C. B. Zane

A brand new anthology series with the best and strangest sci-fi and horror tales we could create. Think about those old B-movies from the classic movie theaters (or stuff you might find playing on the Syfy channel today). The stories that you are going to find in this anthology are both thought provoking and obscure... just how we like them! In this issue, a pair of astronauts land on a deserted planet to take a survey for colonization, however they find that the planet isn't as deserted as they thought it was and they accidentally kill the inhabitant's queen. Can they make it off the planet before the citizens take their revenge? (STL289391) (C: 0-1-1)

SOMNA #1

NEW SERIES DEBUT FROM DYSTRLY!

BECKY CLOONAN and TULA LOTAY—both writing and drawing a creator-owned project together for the FIRST TIME! Set amidst the terrifying backdrop of the witch hunts in a quiet 1600s English village, SOMNA follows one woman's descent into an erotic escape from the confines of her puritanical world.

Ingrid is unhappily married to Roland, the town's bailiff and chief witch hunter, who is on a single-minded quest to purge the 'heretics' in their midst. After a prominent town leader is found murdered, accusations fly and no one is above reproach from Roland's deadly crusade. Ingrid has her suspicions about who the real murderer is, but even as

she pursues the truth, she's pursued herself by a shadowy figure. Ingrid finds that she's drawn to the foreboding phantom in ways she can't resist— does this dark and tempting stranger may hold the key to the mystery...or will he damn Ingrid's soul to the blackest circle of Hell?

From the masterful minds of Becky Cloonan (BY CHANCE OR PROVIDENCE, *Wonder Woman*) and Tula Lotay (BARNSTORMERS) comes an intoxicating blend of history, eroticism, and the supernatural in SOMNA—an evocative masterpiece that draws inspiration from cinematic folk-horror gems like *Midsommar* and *The Witch*— and will transport readers to a world where passion and spirits intertwine, enrapturing your senses and leave you craving more.

**EDGAR RICE BURROUGHS
AUTHORIZED LIBRARY:
TARZAN VOLUME 17:
TARZAN AND
THE LION MAN HC**

(W) Edgar Rice Burroughs (A/CA) Joe Jusko
A great safari comes to Africa to make a movie, struggling across the veldt and through the jungle in great ten-ton trucks, equipped with all the advantages of civilization. But now it is halted, almost destroyed by the poisoned arrows of the fearsome Bansuto tribe. There is no way to return. Ahead lies the strange valley of diamonds, where hairy gorillas live in their town of London on the Thames, ruled by King Henry the Eighth. And behind them comes Tarzan of the Apes with the Golden Lion, seeking the man who might have been his twin brother in looks—though hardly in courage! (W) Edgar Rice Burroughs (A/CA) Joe Jusko
As the steel-clawed Leopard Men look for victims for their savage rites, the secret cult strikes terror into the hearts of all the villagers. Only Orlando of the Utengas dares to declare war on them. And with Orlando goes Tarzan of the Apes—but a strangely changed Tarzan, who now believes that he is Muzimo, a spirit or demon who was Orlando's ancestor. But there are traitors among Orlando's people. And in the village of the Leopard Men is Kali Bwana, a young American woman who has come to Africa to find a missing man. Only Tarzan can save her... AUTHORIZED LIBRARY:
TARZAN VOLUME 19:
TARZAN'S QUEST HC**

(W) Edgar Rice Burroughs (A/CA) Joe Jusko
Tarzan of the Apes had heard only rumors of the Kavuru—a strange, evil tribe said to have long reaped their human prey from among the local natives. But when they stole the daughter of Muviro, chief of the Waziri, the Lord of the Jungle sets out in search of their legend-shrouded village on a mission of rescue—or, if need be, revenge. He does not know that his trail runs close to that of a strange group of survivors of a crashed plane—including his beloved mate, Jane, who must call upon all the skills she has learned from Tarzan to keep herself and her companions alive amid the terrors of the jungle and an even worse danger lurking in their midst.

But the stranded party and the ape-man are destined for a rendezvous with blood and fire—in the dreaded temple of the Kavuru. (STL289088) (C: 0-1-1) **NOTE:** This item may be available through other retail outlets before shipping to comic book specialty shops.

TARZAN VOLUME
20: TARZAN AND THE
FORBIDDEN CITY HC**

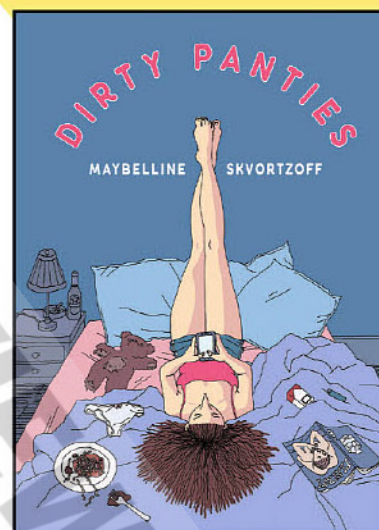

(W) Edgar Rice Burroughs (A/CA) Joe Jusko
Tarzan cared little for the fate of adventurer Brian Gregory, drawn to the legendary city of Ashair by the rumor of the Father of Diamonds, the world's hugest gem. But to the ape-man the tie of friendship is unbreakable, and Paul d'Arnot's pleas move him to agree to guide the expedition Gregory's father and sister have organized for his rescue. The enigmatic Atan Thome is also obsessed with the Father of Diamonds, and has planted agents in the Gregory safari to spy out its route and sabotage its efforts. Both parties reach their goal, remote Ashair... as prisoners of its priests, doomed to die in loathsome rites. (STL289089) (C: 0-1-1)

In the frozen land of the Vikings, a grim reality unfolds as the undead menace continues to spread. The bite of the zombies denies the fallen warriors their rightful entrance to Valhalla, the sacred realm of honored warriors. The honor of dying in battle is tainted, and a chilling question hangs in the air: How can King Knut and his people survive this relentless onslaught? Should they hunker down and attempt to endure the harsh season, or should they muster their courage and face an enemy that refuses to die?

In *ZomVikings #2*, Rodolfo Santullo (*Far South*) and Jok (*In Hell We Fight*) deliver another gripping chapter, blending elements of heroic Viking mythology with the ever-present threat of the undead. The more Emma measures herself alongside Julia and others, the more pressure she feels to try to change. But trying to be as good as everyone else at everything is exhausting and frustrating. With help from her friends and basketball teammates, as well as Lexi, the French bulldog she's dogsitting, Emma realizes that there's no such thing as "perfect"—and it feels better to be true to herself, instead of trying to please others. The rules are simple: Hunter beats Bear. Ninja beats Hunter. Bear beats Ninja. Seeking to avenge the slaying of his village by a savage horde of monstrous bears, a lone ninja comes to realize that his vengeance can not be wielded by his sword, but only at the end of a legendary hunter's rifle. Some partnerships are forged in steel and can overcome all, but unfortunately most are not. Blindness comes in many forms, and so does its repercussions. SPIDEY STRIKES IT BIG AT HAKE'S

A CGC-certified 9.6 example of *Amazing Spider-Man* #1 took the top spot among Hake's Auctions' July 25-26, 2023 offerings. In spirited bidding, the high-grade second appearance of Spider-Man surpassed the \$350,000 to \$500,000 estimate and settled at \$520,380.

The auction's combined tally was \$3.4 million, which included political and sports collectibles, as well as maintaining Hake's commanding presence in *Star Wars* collecting circles.

Spider-Man, though, was front and center. *Amazing Spider-Man* #1 includes the first appearances of J. Jonah Jameson and the Chameleon, and the first Fantastic Four crossover. It also retells Spider-Man's origin and is his first self-titled issue.

With a story by Stan Lee and cover and art by Steve Ditko, this Silver Age key issue is fresh-to-market as it was held in a private collection for the last 25 years. It was only recently certified by CGC as one of five copies at the grade, with only two copies graded higher. It came from the John B. Goodrich Collection.

A CGC 7.5 copy of *Amazing Fantasy* #15, Spidey's first appearance, sold for \$170,844. In addition to the wall-crawler, this issue featured the first appearances of Aunt May and Uncle Ben, a story by Lee, cover by Jack Kirby, and art by Ditko. This copy was also from the John B. Goodrich Collection.

A CGC 9.4 *Amazing Spider-Man* #14 (first appearance of Green Goblin) closed at \$38,615, and a CGC 6.5 copy of *Amazing Spider-Man* #1 reached \$32,969.

Star Wars lots were led by a Boba Fett rocket-firing prototype (L-slot) AFA 75+ that flew to \$99,297. The 3-3/4" unpainted prototype was set to be in Kenner's 1979 *Star Wars* toy line, but it was scraped from production because the rocket-firing capability was deemed to be a choking hazard. Because the toy did not reach completion, it is among the most desirable figures from the *Star Wars* line.

While on assignment between 2013 and 2017, Olivier Kugler interviewed and photographed Syrian refugees and their caregivers in camps, on the road, and in provisional housing in Iraqi Kurdistan, Greece, France, Switzerland, and England. *Escaping Wars and Waves* is the astonishing result of that record keeping—a graphic novel that is a complicated and intense narrative of loss, sadness, fear, and hope and an indelible impression of the refugees as individual humans with their own stories, rather than a faceless mass. *Escaping Wars and Waves* is an unflinchingly close and poignant look at the lives of those affected by the Syrian war and the volunteers who tend to them. From political protests to personal struggles with school, body image, and relationships with family and friends, Tohar Sherman-Friedman's life is an inspiring story of conflicting convictions, rebellion, and personal growth. Tohar recounts her experience as the youngest of seven children in a conservative Jewish family, navigating a life buffeted by high expectations for school performance and religious adherence at home and tense conflict in the world outside. With utter sincerity and through detailed panel-style drawing, she relates what it's like to be on a journey that ultimately takes her far from

she was expected to believe. A coming-of-age graphic memoir set in the West Bank, *Good Girls Go to Hell* depicts the reality of growing up in a region split by religious tensions—and sometimes violent conflict. (STL281930) (C: 0-1-0) MATURE THEMES

GREENWILLOW BOOKS**INK GIRLS GN**

(W) Marieke Nijkamp (A) Sylvia Bi

Eleven-year-old Cinzia is a printer's apprentice in sunny Siannerra, a bustling, powerful city, where the ruling family encourages science and arts. Cinzia's days are filled with helping her mestra, Aronne. She adores Mestra Aronne for taking her in, and she loves life in the raggedy workshop that smells of paper and printing, where secrets and stories are always circulating. When Mestra Aronne discovers the principessa's brother is stealing from the city, her latest newsletter becomes the talk of the town. Both Aronne and Cinzia are arrested and charged with treason. Desperate, Cinzia escapes through the mazelike palazzo, only to end up in the gardens, where she comes face-to-face with Elena, the principessa's daughter. Elena is the exact same age as Cinzia, but she's forced to keep to her rooms and

garden because, according to her uncle, Elena is not the charming, powerful noble her family wants her to be. The girls decide to work together to free Mestra Aronne and bring justice down upon Elena's uncle. If one person—no matter how young—can change the course of history, just imagine what a whole flock of them could do. (STL287791) (C: 0-1-0)

GRIFFIN BOOKS**SPOTLIGHT ON****SLAYING THE DRAGON: THE SECRET HISTORY OF DUNGEONS & DRAGONS**

(W) Ben Riggs

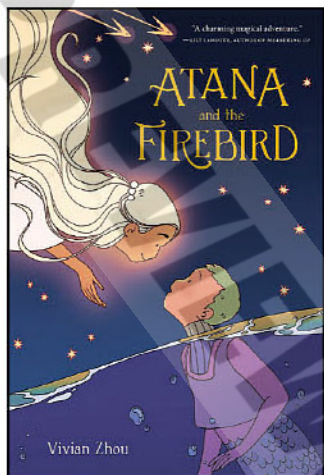

For twenty years, a story has been told about the first company that made *Dungeons & Dragons*, TSR, and the story goes something like this: *Dungeons & Dragons* created the genre of role-playing games in 1974, and that made TSR successful. In the 1990's, Wizards of the Coast created a new kind of game, the collectible card game. People started playing Wizards' flagship product, *Magic: The Gathering*, and that competition killed TSR. In a twist worthy of a Greek tragedy, Wizards ended up buying TSR. It is a story of competition and creative destruction, as capitalism teaches us is right and good. That story is entirely wrong. Through hundreds of hours of interviews, endless research, and

the help of anonymous sources providing secret documents, the true story of what happened to TSR and *Dungeons & Dragons* can finally be told. TSR did not so much die in capitalist combat as it bled to death of self-inflicted wounds. The true history is that of disastrous mistakes, and decisions founded on arrogance rather than good sense. Debts were racked up, geniuses driven from the company, and thousands of products were shipped and sold at a loss, with no one noticing until after the fact. The story of TSR provides a negative blueprint, an example of what a company should not do in the geek business space. (STL287957) (C: 0-1-0)

The Man That Corrupted Hadleyburg tells the story of the "Most Honest Town in America" as it is tempted by a mysterious stranger, asking the question: Is something incorruptible if it has not been tested?

"Hadleyburg is not only an imaginary American town, Hadleyburg is kind of like all the towns I know—and all the others I don't know yet, I'm sure. Humanity as a whole, are citizens of a great Hadleyburg. We are narrow minded, we are fake, we are liars, we are the devil. Ultimately, we are all 'good people.'"

AMY'S BIG BROTHER

By BonHyung Jeong

I'm not her babysitter...

Having a little sister isn't easy - she takes my soda, follows me around, and wants to tag along with me and my friends. Worse, she always gets her way with our parents! Sometimes I wonder if I was adopted just to look after her. (I know, it doesn't make sense.) Going to middle school means at least she can't bother me there. I'll have plenty of time to practice to become MVP of the basketball team and maybe even...get a girlfriend! I finally managed to ask Hannah out on a date. Now how do I make sure Amy doesn't follow me and ruin the day?!

WORM: A CUBAN AMERICAN ODYSSEY GN

(W/A) Edel Rodriguez

Edel Rodriguez is among the most prominent political artists of our age. Now for the first time, he draws his own life, revisiting his childhood in Cuba and his family's passage on the infamous Mariel boatlift. When Edel was nine, Fidel Castro announced his surprising decision to let 125,000 traitors of the revolution, or "worms," leave the country. Edel's family's vocal discomfort with government surveillance had made their daily lives on a farm outside Havana precarious, and they secretly planned to leave. Before that happened, a dozen soldiers confiscated them in a detention center near the port of Mariel, where they were held with dissidents and criminals before being marched to a flotilla that miraculously deposited them, overnight, in Florida. Through vivid, stirring art, *Worm* tells a story of a boyhood in the midst of the Cold War, a family's displacement in exile, and their tenacious longing for those they left behind. It also recounts the coming-of-age of an artist and activist, who, witnessing America's turn from democracy to extremism, struggles to differentiate his adoptive country from the dictatorship he fled. RED HARVEST: A GRAPHIC NOVEL OF THE TERROR FAMINE IN SOVIET UKRAINE GN

(W/A) Michael Cherkas

Soviet dictator Joseph Stalin waged a brutal war against the Soviet peasantry leading to the *Holodomor*, the terror-famine that killed at least 4 million Ukrainians during the fall and winter of 1932-33. *Red Harvest* is based on the tragic events that took place in Soviet Ukraine and other parts of the Soviet Union from 1929 to 1933. Stalin and the ruling Communist Party began their program of forced large-scale collectivization of individual farms and farmers, including the seizure of livestock, farm implements, crops, seed stock, and other property. *Red Harvest* is based on true stories as related to the Ukrainian-Canadian author of Mykola Kovalenko, a Ukrainian immigrant to Canada, who was the only member of his family to have survived the famine. From the magnificently distorted imagination of Eisner Award-nominated cartoonist Matt Lesniewski (*Mind Mgmt Bootleg*, *Crimson Flower*, *The Freak*) comes a new milestone in comic book storytelling that must be seen to be believed: *Faceless and the Family*!

On the broken and warped world known as the Hand Planet, the wanderer simply called Faceless ekes out existence on the margins to escape the shame that cost him his name and his identity. Exiled for his crimes, Faceless now calls the wastelands his home—until the good fortune of fate delivers him a mismatched band of fellow travelers who will soon become family . . . if they can survive a suicidal mission into the Hand Planet's class-segregated Finger Cities to restore what lies beneath Faceless's helmet and, with it, his hope in humanity.

A DAZZLING MASTERPIECE OF GRAPHIC FICTION FROM EISNER AWARD-NOMINEE MATT LESNIEWSKI (MIND MGMT BOOTLEG)!

NEIL GAIMAN: WHAT YOU NEED TO BE WARM HC

(W) Neil Gaiman (A) Various Master storyteller and UN-HCR Goodwill Ambassador Neil Gaiman has written a moving poem, inspired by the ongoing refugee crisis. During the coldest season, when the world feels scary-what do you remember about being warm? Baked potatoes. Trust. A kettle on the stove. Blankets. A smile. And, most of all, the reassurance that you belong. In his powerful and moving poem, featuring illustrations from thirteen extraordinary artists, Gaiman draws together many different memories to answer the question, what do you need to be warm? COMIC BOOK PUNKS: HOW A GENERATION OF BRITS REINVENTED POP CULTURE HC

(W) Karl Stock

The influence of the comic book has never been greater, from movies to streaming and beyond, but the journey comics took from little-regarded kids' magazines to literary prize-winning books and global franchises turned on a highly unusual group of writers and artists. Few would have expected a small gathering of British comic book fans and creators in the early 'seventies to be a global cultural pivot-point, but this was the start of a disparate movement of punks, dropouts and disaffected youths who reinvented a medium and became the imaginative heart of a global success story. Based on years of interviews with a generation of leading writers,

artists and editors, Karl Stock reveals the true story of the wild times, passion and determination that helped, hindered and saw the reinvention of comics. (STL290212) (C: 0-1-2)

VANITY #4 REMASTERED EDITION

(W) Jurii Kirnev
(A) Natalia Tsarevnikova
(CA) Anastasia Korsun
The fourth chapter in the notorious Elizabeth Bathory's biopic graphic novel depicts the horrors of the century in which she lived. It was the age of endless religious wars and xenophobia. Men fought for their lands, faith, and ideologies, while the purpose of women was to give birth and raise more soldiers so that the wars over abstract ideas could go on forever. No wonder there was a woman who decided to stop this cycle—and no wonder she was considered mad. (STL289470)

Sixth grader Lucy loves fantasy novels and is brand-new to middle school. GiGi is the undisputed queen bee of eighth grade (as well as everything else she does). They've only got one thing in common: fencing. Oh, and they're sisters. They never got along super well, but ever since their dad died, it seems like they're always at each other's throats. When GiGi humiliates Lucy in the cafeteria on the first day of school, Lucy snaps and challenges GiGi to a duel with high sisterly stakes. If GiGi wins, Lucy promises to stay out of GiGi's way; if Lucy wins, GiGi will stop teasing Lucy for good. But after their scene in the cafeteria, both girls are on thin ice with the principal and their mom. Lucy stopped practicing fencing after their fencer dad died and will have to get back to fighting form in secret or she'll be in big trouble. And GiGi must behave perfectly or risk getting kicked off the fencing team. As the clock ticks down to the girls' fencing bout, the anticipation grows. Their school is divided into GiGi and Lucy factions, complete with t-shirts declaring kids' allegiances. Both sisters are determined to triumph. THE GAME MASTER'S HANDBOOK OF PROACTIVE ROLEPLAYING SC

(W) Tristan Fishel, Jonah Fishel

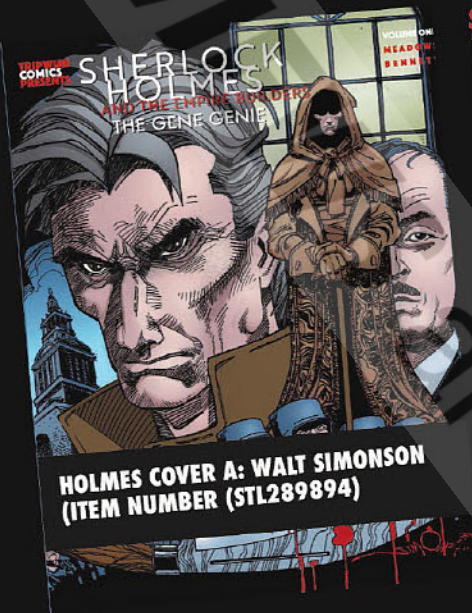

This unique new RPG guidebook is designed to transform gameplay in ways that empower players to create their own motivations and goals, then proactively pursue them—in effect, guiding the narrative of their characters, rather than having the Game Master do it. Traditional TTRPGs have for decades relied on reactive player responses in order to function. In other words, there is an evil wizard out to take over the world. The player characters are good, therefore it's their duty to go stop the wizard. Game play then follows a traditional storytelling narrative of protagonists working to return their world back to the status quo, or an improved position. Bad guy makes a move, good guys move to stop him. The problem with this style of gameplay is that players are always reacting to what's put in front of them. (STL290450) (C: 0-1-2)

HOLMES COVER A: WALT SIMONSON
(ITEM NUMBER (STL289894))

Sherlock Holmes and The Empire Builders
The *Gene Genie* is an 88-page oversized hardcover epic – an alternate world sci-fi adventure featuring Conan Doyle's World's Greatest Detective as people have never seen him before.

When Watson leaves Holmes to help Crick unravel the DNA helix and finds himself in the employ of England's most evil man, Holmes is forced to team up with an unlikely group to defeat this monstrous figure and return England to its status quo...

Pin-ups by **Liam Sharp, Bill Sienkiewicz, Barry Kitson, Shawn Martinbrough and David Hitchcock**

"When you think there is nothing more to be said or done with Sherlock Holmes, along come Meadows and Bennett to breathe fresh life into the great detective. Bravo! I'm thoroughly enjoying this original tale!" – **MICHAEL MOORCOCK** (fantasy legend, *Eric, Jerry Cornelius*)

HOLMES COVER B: MARK CHIARELLO
(ITEM NUMBER STL289896)

"Holmes. Watson. Dark conspiracies. And, of course, mysteries to be solved. Sherlock Holmes and The Empire Builders promises to be an intriguing twist on the classic Doyle stories, in the hands of two enthusiastic and capable creators." – **JM DEMATTEIS** (writer, *Justice League, Moonshadow*)

"Joel Meadows and Andy Bennett have delivered a rare treat for fans of Sherlock Holmes - tantalising new stories that stay true to the tone and aesthetic of the canon." – **FRANK QUITELY** (artist, *All-Star Superman, Jupiter's Legacy*)

"The game is indeed afoot! It's no small feat to take on the works of Sir Doyle, and yet Joel and Andy had done a neat job of it. Holmes feels quite like the Sherlock we know and love – except he's found himself out of his element. Meanwhile, like every great heroic story, there's a villain who... well, you'll just have to read it for yourself. Gorgeous artwork by Andy that captures the mood and the spirit of Joel's page turner. Enjoy it all!" – **JEPH LOEB** (writer, *Batman The Long Halloween, producer, Daredevil TV show, Jessica Jones TV show*)

CBC gets trapped in the world Steve Gerber made, as we devote the spotlight to the late, great creator of *Howard the Duck* in a comprehensive look at his life and creative achievements, from *Man Thing* to *Kiss*, *Crazy to Thundarr*, from *Destroyer Duck* to an *Elf with a Gun*! One of Gerber's most pre-eminent friends and collaborators was Mary Skrenes, who shares a rare, wildly entertaining, and extensive interview about her Las Vegas upbringing, 1970s comic book writing career (in part as "Virgil North"), co-creation of *Omega the Unknown*, and help develop-

ing much of the *Howard the Duck* series, including her invention of Beverly Switzler! Our cover artist, Val Mayerik, talks about his life with certain foul-mouthed fowl! From a start in 1947 at the Simon & Kirby shop, John Severin co-created the legendary Western strip *American Eagle*, and became an EC Comics mainstay, working with Harvey Kurtzman on *MAD* and *Two-Fisted Tales*. In addition to an over 40 year association with *Cracked* his pivotal Marvel Comics work included an extended run inking Herb Trimpe on *The Hulk*, and teaming with sister Marie Severin to create the definitive comics version of King Kull. MARVEL COMICS IN THE 1970S EXPANDED EDITION TP

New Edition With 16 Extra Pages!
Marvel Comics in the 1970s covers Marvel's final historical phase: the twilight years of the 1970s, after the initial '60s wave of popularity pushed the company to the forefront of the comics industry, and made many of its characters household names. This full decade of pop-culture history saw Stan Lee's role as writer diminish as he ascended to Publisher, the stunning departure of Jack Kirby to DC (and his later return to Marvel), the rise of Roy Thomas as editor (and eventual Editor In Chief), and the introduction of a new wave of writers and artists who would expand the

boundaries of comics beyond super-heroes, while planting the seeds for the company's eventual self-destruction. (STL191418)

O/A OLD GODS & NEW: JACK KIRBY'S FOURTH WORLD TP (JKC#80)

Spanning the pages of four different comics starting in 1970 (*New Gods*, *Forever People*, *Mister Miracle*, and *Jimmy Olsen*), Jack Kirby's sprawling "Epic for our times" was cut short mid-stream, leaving fans wondering how Jack would've resolved the confrontation between evil Darkseid of Apokolips and his son Orion of New Genesis. This companion to that "Fourth World" series looks back at Jack Kirby's own words, as well as those of assistants Mark Evanier and Steve Sherman, inker Mike Royer, and publisher Carmine Infantino, to determine how it came about, where it was going, and how Kirby would've ended it before it was prematurely cancelled by DC Comics. (A) Reed Crandall

From the 1940s to the '70s, Reed Crandall brought a unique and masterful style to American comic art. Using an illustrator's approach on everything he touched, Crandall gained a reputation as the "artist's artist" through his skillful interpretations of Golden Age super-heroes Doll Man, The Ray, and Blackhawk (his signature character); horror and sci-fi for the legendary EC Comics line; Warren Publishing's *Creepy*, *Eerie*, and *Blazing Combat*; the *THUNDER Agents* and Edgar Rice Burroughs characters; and even *Flash Gordon* for King Features. Comic art historian Roger Hill has compiled a complete and extensive history of Crandall's life and career, from his early years and major successes, through his tragic decline and passing in 1982. HOLY FOOLS AND FUNNY GODS: THE HIDDEN LINK BETWEEN RELIGION AND HUMOR SC

(W/A) Izar Lunacek
In *Holy Fools and Funny Gods*, philosopher and cartoonist Izar Lunacek explores the surprising intersections between religion and comedy. Many view religion as a monument to eternal truth. Comedy, on the other hand, is the eternal iconoclast. This conflict between jokers and the faithful frequently marks our present-day culture. But in pre-Christian times, pagan pantheons included holy clowns precariously positioned at the right side of the main deity. Among many tributes paid to gods, at least one ritual was reserved for the trickster who destroyed the world order only to rebuild it refreshed and new. When we put gods on pedestals, we also expose them to communal mockery. When we laugh at clowns, we worship their disregard for social convention. (STL287702) (C: 0-1-0)

GODZILLA AND GODZILLA RAIDS AGAIN SC

(W) Shigeru Kayama, Jeffrey Angles

Godzilla emerged from the sea to devastate Tokyo in the now-classic 1954 film, produced by Toho Studios and directed by Ishiro Honda, creating a global sensation and launching one of the world's most successful movie and media franchises. Awakened and transformed by nuclear weapons testing, Godzilla serves as a terrifying metaphor for humanity's shortsighted destructiveness: this was the intent of Shigeru Kayama, the science fiction writer who drafted the 1954 original film and its first sequel and, in 1955, published these novellas. Kayama's two *Godzilla* novellas, both classics of Japanese young-adult science fiction, have never been available in English. This book finally provides English-speaking fans and critics the original texts with these first-ever English-language translations of *Godzilla* and *Godzilla Raids Again*. (STL289349) (C: 0-1-1)

YU-GI-OH! CARD GAME MONSTER FIGURE COLLECTION STATUES

From Kotobukiya! To celebrate the 25th anniversary of the *Yu-Gi-Oh! Trading Card Game*, multiple companies have collaborated to create the *Yu-Gi-Oh! Card Game Monster Figure Collection*, featuring various generations of monsters. With a level of cuteness that truly charmed duelists at the time, the Charmer series has enjoyed immense popularity since its debut. Now, the small sorcerers with the ability to control fire monsters, *Hilita the Fire Charmer*, and the ability to control water monsters, *Eria the Water Charmer*, join Kotobukiya's lineup! At 1/7-scale, this figure strikes an impressive balance of being easy to display, while also being brought to life in a voluminous size that allows fine details that cannot be seen on the card to be recreated with precision. Pay close attention to the various highlights loaded into these pieces, including the burning flames for Hilita and the beautiful flowing blue hair for Eria.
